

JAPAN WELCOMES PACT OF PACIFIC

Premier Takahashi States That
Nation Will Heartily Sup-
port Agreement.

TOKIO, Dec. 14.—Japan, speaking through her Prime Minister Viscount Korekiyo Takahashi today congratulated the United States on the success of the Washington conference. Takahashi, in a statement written exclusively for the United Press, pledged his empire to support the four power Pacific agreement to the limit. He discerns in it the dawn of an era of world peace, through the cooperation of the nations that smashed Germany's scheme of conquest.

TOKIO, Dec. 14.—The people of Japan heartily rejoice at the news from Washington, announcing that an agreement has been reached among the four powers for the preservation of peace in the Pacific. Japan congratulates the delegates to the Washington conference who participated in formulating this agreement and the people of the powers whose representatives signed it. The people of Japan congratulate the peoples of the Pacific upon the approach of an era of peaceful development and friendly feelings, among the nations of the earth.

They expect great things from this new concert of the powers that once aligned themselves in a common cause in defense of civilization. We of Japan are ready to render all possible support to the four power agreement, so that it may be a powerful factor for the preservation of peace, not only of the Pacific borders but of the entire world.

OHIO FARMERS LOSE HEAVILY ON WHEAT

COLUMBUS, O., Dec. 15.—Prices received by Ohio farmers for their 1921 wheat crop are from 30 to 40 per cent less than the cost of production, according to a cost probe made by economists of the College of Agriculture, Ohio State university. Cooperating with these economists farmers in Greene and Medina counties started a system of bookkeeping when the wheat-growing season opened last year, keeping a record of expenditures in growing crops and animals. The average cost of producing a bushel of wheat in Greene county was \$1.60. In Medina county it was \$1.50. The average selling price of wheat is \$1.05.

HILARIOUS STAG BANQUET.

The good brothers may get together for a roasting stag banquet but it isn't a COMPLETE success unless you have some Parkerhouse Rolls, Fatty Shells, or Pumpkin Pies from Mathews-Krauss Bakery. They're perfect.

POLICE FIND BOOZE CACHE BEHIND SAFE

DEPLANCE, O., Dec. 15.—The most artfully concealed liquor cache ever found by Deplance police was described by officers who raided the home of Clayton Archambeault, in Perry st. Archambeault was fined \$500 by Mayor Kirtley. He was placed in the county jail following his failure to pay the fine.

To find the evidence police entered a closet under a stairway at the Archambeault home and removed a safe, behind which was found a section of the baseboard which could be opened as a small door. This opening led to a compartment under the floor where reposed seven quarts of moonshine liquor, it is claimed.

BOYS STOLE BREAD; POLICE REPRIMAND

SYRACUSE, N. Y., Dec. 15.—In stealing when you're hungry there's a moral, is the judgment of Chief of Police Cadin of this city. With father, brothers and sisters—indeed the whole family out of work, with an empty cupboard and no prospect of even a loaf of bread to relieve that gnawing sensation in the stomach, two youngsters—Philip and Ezekiel, 17 and 14, respectively, of the Logan family here—were caught while stealing bread. Their pitiable story of "want" at home appealed to the chief, who, after investigation, liberated the youths with a warning not to steal again.

A PRACTICAL PERSON.

Appreciates the gift the more so if it is a practical gift and then, too, if it has quality. The Reimold store have built up their big business by supplying a demand for the many practical things a person requires to do things with whether in the workshop or kitchen, and the matter of quality is never overlooked.

Miss V. Clevenger Tells How Cuticura Healed Eczema

"Eczema broke out on my wrists and from there it spread down my hands and between my fingers. It itched and burned so badly that I rubbed and irritated my hands and had to wear rubber gloves for a while because water hurt them. I could scarcely sleep at night because of the irritation."

"The trouble lasted for about six years. A friend recommended Cuticura Soap and Ointment so I sent for a free sample. I bought more and after using one cake of Cuticura Soap and one box of Cuticura Ointment I was completely healed." (Signed) Miss Virginia Clevenger, R. R. 1, Union City, Ind. Cuticura Soap, Ointment and Talcum are all you need for all toilet uses. Bathe with Soap, soothe with Ointment, dust with Talcum. Sample Each Free by Mail. Address: "Cuticura Laboratories, Dept. THE ECONOMY BAKING POWDER

CALUMET

Calumet possesses the farthest-reaching baking powder economy. It is the most economical leavening agent. It saves in more ways—and makes more important savings than most other baking powders.

You save when you buy it. The price is moderate—it leaves you money over the cost of high-priced brands for purchase of other articles. Costs but little more than cheap powders—far more valuable in quality.

You save when you use it. Possesses more than the ordinary raising force—you use only half as much as is ordinarily required.

You save materials it is used with. Calumet never fails with any kind of recipe or with any kind of flour—always produces perfectly raised, delicious bakings.

You'll notice a great difference when you use Calumet. Calumet produces light, sweet, wholesome, flaky bakings. You will notice with some of the cheaper brands the bakings are soggy, heavy, dark in color, and sometimes have a bitter taste.

Used by leading chefs and domestic scientists, and by more housewives than any other brand. Made in the world's largest and finest baking powder plants.

Best by test. A trial proves it.

The Law Says 16 oz. to a Pound
A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.
